

GLIMPSES

PUBLISHED SIX TIMES PER YEAR BY GLIMPSES OF GRACE.

A Beginning

Journalism students are often taught to put the important facts in the opening paragraph of a news story.

They tell who, what, when, where, why, and how. This is often called the 5 w's and an h. They can then fill in details in later paragraphs.

You are reading the first issue of what we hope will be an exciting and informative magazine. We begin as something to be read on a screen, but plan to add a print version as the Lord provides.

Our plan is to publish every two months. We are a group of Christians located in several states. As to where, you can find us right here at this location.

And yes, there are already many things available to read. In addition to online material, we have books, newspapers, and print magazines. But the important thing is to read and watch and discuss the vital things. If it is on a screen or printed, God's messages to mankind need to be received.

We plan to bring you the really important information. Everything we publish is meant to instruct,

inspire, motivate, inform, and help.

We are not experts. But God is. All of what is written here will be based on God's Word, the Bible. There is no better source for living this life and being ready for the next one.

Work with us. If there is a subject you would like to read about, please contact us. We can research thousands of items and make use of many talented writers to be of help. We all need brothers and sisters to walk the road with us as we travel life's journey. Some of us have only a brief time on the road, while others walk for many days.

Join us. Read on.
